

Bumper Pads

(To fit a standard crib – 27" x 52")

Yardage & Supplies

Use fabric with 42" usable width.

Bumper covers: 3 1/4 yds

Ties: 3/4 yd

Fairfield Nu-Foam six precut pieces:

10" x 26"

Cutting

Bumper covers: Twelve pieces 27" x 11 3/4"

Ties: Twenty-four pieces 2" x 20"

Directions

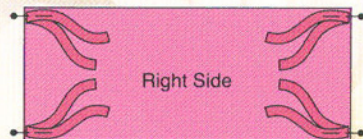

Use 3/8" seam allowance.

1. **Ties:** Press 1/4" to wrong side on all edges of tie pieces. Fold in half lengthwise and edge stitch. Repeat for other twenty-three ties. Fold ties in half lengthwise. Pin folded ends of ties to the right side of half of the bumper cover pieces, as shown. Pin

loose ends of ties down so they do not get caught in stitching.

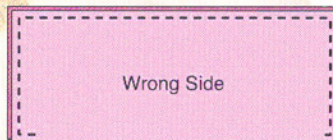

2. **Assemble:** Pin bumper cover pieces with ties to bumper cover pieces with no ties, making six bumpers. Stitch each cover, leaving bottom edges open for turning. Trim corners and turn right side out. Slide Nu-Foam into each cover. Stitch bottom edges closed.
